DINESHBABU K THEVAR

+91 84389 55050 | dineshbabuk1206@gmail.com | Mumbai, Maharashtra | Universal SkillTech University

PROFESSIONAL SUMMARY

B.Tech Artificial Intelligence & Machine Learning student (3rd Year) with hands-on technical experience across a cybersecurity startup and a SaaS platform, combined with sustained cross-functional leadership in college committees, event coordination, and entrepreneurship initiatives. Comfortable working across Python, AI/ML fundamentals, and product design/architecture in team-based environments.

EDUCATION

B.Tech, Artificial Intelligence & Machine Learning *3rd Year, Semester V*
Universal SkillTech University — CGPA: 8.2

HSC (Class XII)
Fatima Matriculation Higher Secondary School — 79%

SSLC (Class X)
Fatima Matriculation Higher Secondary School — 75%

EXPERIENCE

Co-Founder & Technical Lead — Seqvolute (Cybersecurity Startup Initiative) *2024 - 2025*

- Co-founded Seqvolute, a cybersecurity startup initiative, as part of a 4-member founding team.
- Led technical development of SecureOps, a browser-based SOC platform for threat detection and log analysis.
- Built the backend in FastAPI with endpoints for log filtering, brute-force detection, severity labeling, and threat intelligence.
- Developed a React frontend with a cybersecurity-themed UI for the platform.
- Used a Kaggle-sourced SSH attack dataset for detection logic; produced a formal project report and presentation.

Architecture and Design — WeConnect (Community-Based SaaS) *2026 - Present*

- WeConnect — a startup collaboration platform matching founders with co-founders, builders, and early-stage investors.
- Designed site banner assets and visual elements for the platform.
- Led site audit follow-through, resolving meta tag issues, dead links, and missing content sections.
- Coordinate design requirements with a developer teammate to translate design decisions into implementation.

Python With AI Development Intern — SkillLevel *Jul - Aug 2025*

- Completed a one-month internship focused on Python programming and application development.

Python Development Intern — QSkill *Jun - Jul 2026*

- Completed an advanced Python Development internship, collaborating on technical assignments.

HCL Industry Projects *Classes XI & XII*

- Participated in multiple HCL industry-oriented projects during higher secondary education.

SKILLS

Technical: Python, Java, AI/ML Fundamentals, FastAPI, React
Leadership: Team Leadership, Event Coordination, Committee Management
Communication: Public Speaking, Interpersonal Communication, Networking
Core Strengths: Problem Solving, Time Management, Adaptability

ACHIEVEMENTS

- Contributed to establishing the college's Entrepreneurship Cell (E-Cell).
- Core team member in facilitating the Memorandum of Understanding (MoU) with the University of Mumbai for E-Cell initiatives.
- Coordinated across multiple committees and earned appreciation for leading the Stage Committee and ensuring seamless event execution.

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Class Representative *2024*

- Served as the primary communication bridge between faculty and students; guided new students through academic resources and daily coordination.

Discipline Committee | Head, Stage Committee | Sports Committee & Public Relations *2024 - 2026*

- Maintained order at large-scale college events, led stage operations and event logistics for cultural and sports events, and supported planning of sports fixtures.

Rotary Club Leader, Junior College (Grades 11 & 12) *2024 - 2026*

- Led Rotary Club initiatives organizing community service and student engagement activities; represented the club during institutional activities.

Entrepreneurship Cell (E-Cell) Initiative

- Facilitated the MoU with the University of Mumbai to introduce E-Cell initiatives; coordinated with students and faculty to promote innovation and entrepreneurship.
